CENTRAL FLORIDA INSTITUTE
Mr. Richard M. Covington, Jr.
6000 Cinderlane Parkway
Orlando, FL 32810

Dear Mr. Richard M. Covington, Jr.,

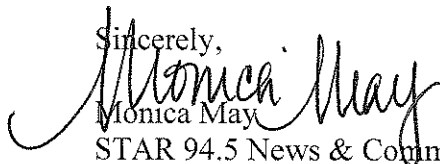

On behalf of our entire staff, we thank you so much for participating in the **9th Annual STAR 94.5 Tom Joyner "Take a Loved one to the Doctor Day"** at Jones High School on September 25, 2010. The larger venue meant that we were able to have more resources and tests available for our community and none of this would have been possible without you.

This year we serviced close to 150 people with FREE testing of men and women for prostate and pap exams and close to a hundred other people there to receive free HIV tests. Five teens received a free hour long physical and a couple hundred more received FREE glucose, cholesterol, blood pressure and BMI tests. Women received pregnancy tests and of course we have a *Save a Life* story. This year a woman came in for a pap exam because we had reached capacity she decided to take advantage of a few other exams. When I saw her, her eyes were very swollen and glassy. It turned out her glucose level was in over 500 and her pressure was extremely high. She was rushed immediately to the hospital, and as I write this thank you letter she was just being released. This event saves lives!

This year we had an even more varied line-up of healthcare educators in attendance. We had thirty-five vendors help this event take place. We had students from high school and colleges volunteer their time to help, thank you Jones, Herzing, and Central Florida Institute. We also had a physical fitness workout by "Dance Away the Pounds" guru, PJ the Fitness Trainer. As always, our lunch and learn movie on HIV/AIDS was a big hit. We were able to feed 200 participants, vendors and staff so we would have to say it was truly a success!

So once again STAR 94.5 thanks you for your time, information, skills and much needed medical services you provided to some very deserving members of the African American community.

Sincerely,

Monica May

STAR 94.5 News & Community Affairs Director

R.C. - Thank you 1000% for your support of this event by supplying food and your students. Both were a hit! ☺
