

# HEALTHCARE JOBS ARE ON THE RISE!

The U.S. Bureau of Labor Statistics projects that jobs in the healthcare field will grow by more than 20 percent from 2008 through 2018, twice the pace for overall U.S. job growth.

## WHICH HEALTH PROFESSION IS RIGHT FOR YOU?

Healthcare jobs require a wide variety of skills. Whether you're interested in working directly with patients, in an administrative office, or a combination of both, there's a healthcare job that fits your personality.
